# Waterford Township

PROUD PAST, PROMISING FUTURE • NEW JERSEY • EST. 1694

Residents –

While we understand everyone is fatigued by the ongoing COVID-19 pandemic, the reality of the situation is that cases throughout the country, state, county and township are increasing significantly as we speak.

Since September 28th, nationwide hospitalizations are up 45%. Our neighbor, Pennsylvania, is currently averaging its highest amount of cases per day. New Jersey's number of new cases are up almost 40% compared to last week and 120% more than last month's daily average. Camden County's cases per day were around 30 per day last month- now we are tracking over 60 per day.

Here in Waterford Township, we were at 135 TOTAL since the beginning. In just the last 2 weeks, we have skyrocketed to over 170. As the holidays approach, it is more crucial than ever to protect yourselves and your families. The best way to accomplish this is to avoid large crowds, limit indoor gatherings, wash your hands, wear a mask, and keep your distance from others in general.

Please do not wait until it impacts you to exercise caution.
