To the Residents of Waterford Township:

We regret to inform you that two of our employees are experiencing symptoms of COVID-19 at the present time and one of the two has been confirmed positive for COVID-19 through testing. The employees of the Township strictly adhere to all CDC Guidelines and NJ State Executive Orders that are currently in place in reference to COVID-19. The Township building will be closed today and re-open on November 13<sup>th</sup> at 8:30 am after being cleaned and sanitized for everyone's safety. We do not believe that there has been any "Close Contact" as defined by the CDC with either of the two employees by anyone in the public. As always, we strongly suggest to all of our residents to self-monitor and seek medical advice if you are experiencing any symptoms of Covid-19.

Stay safe and well!!
