Hello, My name is Alisha Miller and I'm the owner of a small business in Waterford Twp., Racks Pub and Grill. I have been a local business owner for 17yrs. and have worked in town for over 20yrs. I'm writing this letter to give the community notice and the opportunity to whoever owns a business in Waterford Twp. to join "Waterford's Small Business Association". I along with a couple other local business owners will be holding a ZOOM meeting for the organizing and membership interest. The Board members as of now are myself; Alisha Miller (Racks Pub and Grill), Leroy Wooster (Wooster Funeral Home), Mike Mangold (MCM Tech Solutions), and Joe Occhiuzzo (Reel Plumbing). The mayor and deputy mayor will be attending the meeting which will be held on 11/18 at 7pm. We all hope to see you there to make Waterford Great!
