Halloween is NOT Canceled!

Waterford Township Residents –

The CDC has said door-to-door trick-or-treating, trunk-or-treating, and indoor parties or haunted houses are among the riskiest Halloween activities when it comes to preventing the spread of COVID-19.

Please note that the annual trick-or-treating tradition is not a Township event, so families have the freedom to decide whether or not they are comfortable participating (as long as you adhere to the Governor's orders). If you do decide to trick-or-treat, we encourage you to take proper precautions and to stay mindful of the main ways of protecting yourselves and others from COVID-19, including washing and sanitizing hands, avoiding close contact with others, using a mask to cover your mouth and nose, cover coughs and sneezes, clean and disinfect surfaces, and monitoring your health daily. It is the responsibility of parents to inspect and, if needed, disinfect any items the children may receive.

Please be safe and have fun!

Sincerely,

Mayor Rick Yeatman and Township Committee

P.S. Attached is a flyer you may print and post on your door if you do not wish to participate in Halloween festivities this year.

Sorry

No trick or
treating here

Please respect our wishes
