Dear Residents:

It is with deep sadness that I have chosen not to attend this re-organization meeting. I have come to this decision after days and hours of deep thought and reflective consideration. The actions that have taken place by certain members of this governing body in the last month and a half have been very disappointing and disturbing. When you make a promise to someone, as a person of honor you stand by your beliefs and do not break under pressure from outside sources. These actions have left me devastated and have shaken my trust in the honesty of some members of this committee. While still a member of this committee, I will always continue to put the best interests of the citizens of Waterford Township in all my decisions. Thank you. William A. Richardson, Jr.
