Supplemental Plan Submission
January 20, 2021 Joint Land Use Board Hearing

Dear Ms. Simone:

In follow up to our discussion with the Board Solicitor, please see the attached site plan submission supplement prepared by Marathon Engineering & Environmental Services. This submission is being supplied in advance of the public meeting in connection with the applicant's discussion with Key Engineers and in furtherance of the comments of the Pinelands Commission. The key purpose is to provide on-site access and address a basin comment from the Pinelands.

Applicant has previously discussed the access move and basin split with Key Engineers which is expecting this submission as supplement to the existing application which will be heard on January 20, 2021.

Sincerely,
DuBOIS, SHEEHAN, HAMILTON, LEVIN & WEISSMAN, LLC
