Section 2. § 176-99 captioned “Waste Management” shall be amended as follows:

A. (1)(b) All enclosures shall be constructed on a concrete pad a minimum of six (6) inches thick, Class B. The pad shall extend a minimum of five (5) feet from the front of the enclosure.

A. (1)(c) Non-residential enclosures shall be of solid vinyl fence or masonry construction architecturally compatible with the principal structure. Residential enclosures may be constructed of wood or solid vinyl fencing if sufficient room is allocated for trash truck access to dumpsters in the enclosure. All commercial trash enclosures must be equipped with locking gates of steel construction. When large-capacity dumpsters are utilized, a steel locking access door within the gate or elsewhere shall be provided. All vinyl enclosures must be adequately protected by installing six (6) inch diameter still bollards to prevent damage.

A. (1) (e) This subparagraph shall be eliminated in its entirety.

Section 3. All Ordinances or parts of Ordinances that are inconsistent with this Ordinance are hereby repealed to the extent of such inconsistency only.

Section 4. If the provisions of any section, subsection, paragraph, subdivision, or clause of this Ordinance shall be judged invalid by a Court of competent jurisdiction, such order of judgment shall not affect or invalidate the remainder of any section, subsection, paragraph, subdivision or clause of this Ordinance.

Section 5. This Ordinance shall only take effect after final adoption and publication as required by law and approval by the New Jersey Pinelands Commission.
